38	41334	Special purpose apportionment	Repeal at May Revision. Obsolete due to the LCFF.
39	41338	Transferring funds from the elementary to high school district for 7th and 8th grade pupils	Obsolete due to the LCFF.
40	41341	Adjustive apportionment for school districts and community colleges; adjustments based on audit exceptions	Amendment to conform to the LCFF.
41	41344	Repayment of apportionment significant audit exception or penalty arising from an audit exception; repayment plan; computation of average daily attendance; waiver; appeal	Amendment to conform to the LCFF.
42	41376	Minimum class size standards; apportionments; reports; rules and regulations	Amendment to remove the state to district ratio from the class size penalty (CSP) calculation due to the LCFF changes and the impact on declining enrollment districts.
43	41376.1	Target funding for districts	Amendment to clarify the ADA used in the application of the CSP financial penalty for grades four through eight.

44	41544	Basic aid school districts; apportionment of state funds	New at May Revision, Amend. Amendment necessary to ensure a basic aid district doesn't receive more than 70% of the grade span base grants.
45	41610	Error causing overstatement in average daily attendance; correction; declining enrollment adjustment; revenue limit apportionment adjustment	Repeal. Obsolete due to the LCFF.
46	42127	Formulation, adoption, approval, and revision of budget; procedure	Amendment(s) necessary to change the budget approval deadline(s) for better cohesion with the LCAP process.
47	42127.1	Budget review committee; formation; waiver of process; regional review committee; reimbursement	Amendment(s) necessary to change the budget approval deadline(s) for better cohesion with the LCAP process.
48	42127.2	Review committee; selection and convening; time; recommendation; extension of deadline; audit	Amendment(s) necessary to change the budget approval deadline(s) for better cohesion with the LCAP process.
49	42127.3	Review committee; effect of approval or disapproval of budget; response; powers of county superintendent; expenses; additional information	Amendment(s) necessary to change the budget approval deadline(s) for better cohesion with the LCAP process.
50	42127.8	County Office Fiscal Crisis and Management Assistance Team; governing board; expenditures; assessments; administrative reimbursements; insurance coverage; regional teams	Amend to align reference with the LCFF.
51	42238.01	Definitions: FRPM eligibility	New at May Revision, Amend. Amendment needed to clarify which students may be included in the base year count. Additional amendments clarifying eligibility form components.

52	42238.03	ADA and Prior year gap funding	Amendment to finalize prior year LCFF transition funding and associated ADA as of the third apportionment recertification for purposes of recalculating prior year gap when historical ADA corrections are made. Amendment to allow JPAs to continue to transfer 2012-13 transportation funding to member LEAs.
53	42238.4	Equalization Adjustment Statutes	Section only applied to the 1995-96 fiscal year.
54	42238.41	Equalization Adjustment Statutes	Section only applied to the 1996-97 fiscal year.
55	42238.42	Equalization Adjustment Statutes	Section only applied to the 1996-97 and 1997-98 fiscal years.
56	42238.43	Equalization Adjustment Statutes	Section only applied to the 1996-97 fiscal year.
57	42238.44	Equalization Adjustment Statutes	Section only applied to the 2004-05 fiscal year.
58	42238.445	Equalization Adjustment Statutes	Section only applied to the 2002-03 fiscal year.
59	42238.45	Computation of adjustment for each school district in relation to base revenue limits by Superintendent of Public Instruction for 2001-02 fiscal year; applicability; determination of amounts; calculating size of school districts; nature of allocations	Section only applied to the 2001-02 fiscal year.
60	42238.46	2002-03 fiscal year equalization adjustment	Section only applied to the 2002-03 fiscal year.
61	42238.48	Equalization adjustment for 2006-07 fiscal year; base revenue limits; application to specified school districts; computation	Section only applied to the 2006-07 fiscal year.
62	42238.485	Equalization adjustment for 2010-11 fiscal year	Section only applied to the 2010-11 fiscal year.
63	42238.49	Equalization adjustment for 2011-12 fiscal year; base revenue limits; application to specified school districts; computation	Section only applied to the 2011-12 fiscal year.
64	42238.7	Portion of attendance consisting of excused absences; reports	Section only applied to the 1996-97 and 1997-98 fiscal years.
65	42238.8	Revenue limit per unit of average daily attendance; one-time	Revenue limit computations are obsolete due to the LCFF.
66	42238.9	District's total revenue limit	Revenue limit computations are obsolete due to the LCFF.

67	42238.95	Amount per unit of average daily attendance for pupils in special classes and centers	Obsolete due to the LCFF.
68	42238.11	Revenue limits for 1994-95 fiscal year; decreased employer	Section only applied to the 1994-95 fiscal year.
69	42238.12	Adjustment of revenue limits for 1995-96 fiscal year and fiscal years thereafter	Revenue limit adjustments are obsolete due to the LCFF.
70	42238.13	Computation of base revenue limits for specified elementary school districts; criteria	Computation for base revenue limits are obsolete due to the LCFF.
71	42238.14	Revenue limit for 1993-94 fiscal year; deficit factor reduction	Section only applied to the 1993-94 fiscal year.
72	42238.145	Revenue limits; deficit factor reductions	Revenue limit reductions are obsolete due to the LCFF.
73	42238.146	Revenue limits and deficit factor reductions	Revenue limit reductions are obsolete due to the LCFF.
74	42238.17	Reorganize school districts; computation of apportionments	Revenue limit computations are obsolete due to the LCFF.
75	42238.23	Persons providing services through use of joint powers authority; inclusion in calculation of retirement system reduction	Revenue limit reductions are obsolete due to the LCFF.
76	42239	Supplemental instruction; calculation of funding	Obsolete due to the LCFF.
77	42240	Duties of superintendent of public instruction for 1988-89 fiscal year	Section only applied to the 1988-89 fiscal years.
78	42240.1	Revenue limit adjustment; elementary school district with less than 2,501 units of average daily attendance; operative date	Revenue limit computations are obsolete due to the LCFF.
79	42241.3	Revenue limit funding for specified unified school districts; increase or decrease for 2005-06 fiscal year	Revenue limit computations are obsolete due to the LCFF.
80	42241.7	Increase in revenue limit; unemployment insurance; deficit factor adjustment	Revenue limit computations are obsolete due to the LCFF.

81	42243.7	District revenue limit adjustment; computation; use	Revenue limit computations are obsolete due to the LCFF.
82	42244	Legislative intent; expenditures on continuation education school program	Obsolete due to the LCFF.
83	42245	Reduction after error in computation	Revenue limit computations are obsolete due to the LCFF.
84	42280	Computation of funding amount for necessary small schools	Remove former NSS eligibility criteria from 1990-91. Remove reference to ECS 42281 (repealed below). Add language for computation of funding to reflect current NSS eligibility.
85	42281	Elementary school district; one school with second principal apportionment average daily attendance of less than 97; computations; reductions	Seperate sections for NSS eligibility no longer necessary because NSS eligibility is now only located in ECS 42283.
86	42282	District with fewer than 2,501 units of second principal apportionment average daily attendance; computations	Clarify that school district may apply for NSS funding until LCFF base grants catch up to NSS allowance as long as the school continues to meet NSS criteria.
87	42283	Necessary small high school; definition; request for exemption	Remove reference to ECS 42281 (repealed above).
88	42284	NSS Computation	New at May Revision, Amend. Amendment necessary to clarify that criteria for NSS eligibility must be continually satisfied.
89	42285	Necessary small high school; definition; conditions	Align ADA for the top NSS band.
90	42286	Necessary small high schools; review; determination or change of status	Remove unnecessary language for two year eligibility freeze for necessary small high schools.
91	42287	Increase in funding; amount	Remove reference to ECS 42281 (repealed above).
92	Article 4.5 (commencing with Section 42290)	District or county office with ADA of less than 2,501; application for apportionment; regulations	Small School District Transportation has been rolled into the LCFF.
93	42303	Transportation equipment purchase; application for apportionment; attendance requirements	Home to School Transportation has been rolled into the LCFF.

94	42604	Educational services provided by other than district or county in which pupil resides; computation of reimbursement for costs	Repeal at May Revision. Repeal necessary to conform with the LCFF.
95	45023.1	Certificated employee salary schedule; increases; criteria; computations; reimbursement options	Obsolete: program rolled into base Revenue Limit by AB 851, Statutes of 2009.
96	45023.4	Jack O'Connell Beginning-Teacher Salary Incentive Program	Obsolete: program rolled into base Revenue Limit by AB 851, Statutes of 2009.
97	45037	Teachers lacking valid certification documents; assessment of penalty against school district or county office of education; calculation	Amendment necessary to reference the LCFF and update invalid teacher certification penalty statute.
98	46201.1	Apportionment per unit of average daily attendance; method of calculations or recalculations for incentive funding	Outdated and obsolete due to the LCFF.
99	46602	Admission to school without delay upon board approval; counting attendance for revenue purposes; notice of board's decision	Amendment to conform with the LCFF.
100	46603	Provisional attendance pending appeal on decision regarding interdistrict attendance	Amendment to remove reference to revenue limits and conform with the LCFF.
101	47630	Legislative intent, findings, and declarations	Amendment to conform with the LCFF.
102	47630.5	Application of chapter; use of charter school funding method; additional responsibilities	Amendment to remove outdated and obsolete funding methods.
103	47634.4	Charter School's individual application for federal and state categorical programs	Obsolete due to the LCFF. Applying for funding for state categorical programs is no longer applicable.

104	47635	Charter In-Lieu Payments	New at May Revision, Amend. Amendment necessary for the required transfer of in-lieu charter payments to not exceed the target grade span base grant.
105	47663	Basic aid charter supplement	New at May Revision, Amend. Amendment necessary to ensure a basic aid district doesn't receive more than 70% of the grade span base grants.
106	48310	Basic aid choice	New at May Revision, Amend. Amendment necessary to ensure a basic aid district doesn't receive more than 70% of the grade span base grants.
107	48359.5	Basic aid open enrollment act	New at May Revision, Amend. Amendment necessary to ensure a basic aid district doesn't receive more than 70% of the grade span base grants.
108	52315	Admission of certain impaired persons	Amendment to remove reference to repealed Section 41897.
109	52319	Bonds for construction and other capital expenditure	Amendment to remove reference to repealed Section 41201.
110	52324	Computation in regional occupational centers or programs	Obsolete due to the LCFF. ROC/Ps can no longer claim this ADA, because it goes to district of residence.
111	52324.5	Computation for concurrent enrollment in nonpublic high school and ROC/P	Obsolete due to the LCFF. ROC/Ps can no longer claim this ADA, because it goes to district of residence.
112	52327	Bookstore	Amendment to conform with the LCFF.
113	52329	Joint ROC/P with Arizona	Amendment to remove reference to ADA credited to the county of residence since ROC/Ps are no longer funded by the state according to their ADA. Rather, the ROC/P monies have been folded into LCFF and are now provided to Districts/charters/COEs.
114	52334	Indirect costs; limits; revenue limit funds	Amendment to conform with the LCFF.
115	52335	Apportionments	Amendment to remove obsolete funding reference.

116	52335.1	Priorities	Obsolete due to the LCFF.
117	52335.12	Conditions of receiving additional funding based on ADA	Amendment necessary because ROC/Ps no longer receive funding per ADA. In addition, removed (c) regarding report due in October 2007.
118	52335.2	Revenue limits	Obsolete due to the LCFF. ROC/Ps no longer funded via revenue limits.
119	52335.3	Deduction of restricted revenue	Obsolete due to the LCFF. ROC/Ps no longer funded via revenue limits.
120	52335.4	Share of funded ADA growth	Obsolete due to the LCFF. ROC/Ps no longer receive this funding.
121	52335.5	Insufficient funds; reduction of appropriations	Obsolete due to the LCFF.
122	52335.6	Allocation of funded ADA growth to low participation ROC/Ps	Obsolete due to the LCFF.
123	60117	Short title	Amendment necessary to update Article title
124	60117	Pupil Textbook and Instructional Materials Incentive Program	No longer funded Program.
125	60118	County offices of education; program funds; eligibility; allocations	Obsolete due to the LCFF. Funding for this program now rolled into the LCFF.
126	63001	Utilization requirement	Amendment to remove reference to the School and Library Improvement Block Grant (commencing with Section 45170), which has been repealed.
127	Uncodified	2015-16 LCFF Transition Funding Appropriation
